

PC PARTS, INC NAMED ON PRESTIGIOUS 50 FASTEST GROWING COMPANIES LIST

PC Parts Inc. (www.pcpartsinc.com), a leading global re-manufacturer and distributor of aftermarket IT service parts since 1991, is excited to announce that we have been selected by the Central Penn Business Journal (<http://www.centralpennbusiness.com>) as one of the 2011 Top 50 Fastest Growing Companies. Official rankings will be released September 16th 2011 a follow up press release will be forthcoming.

“It is very exciting for us to be recognized by a reputable publication such as the Central Penn Business Journal. The employees of our company within every department work tirelessly day in and day out to grow our customer base by delivering service parts of the highest quality when, and in some cases even before, our customers need them. We look forward to and expect continued growth in the years to come,” Adam Crockett, Sr. Vice President.

About PC Parts, Inc.

PC Parts provides best in class, niche, business process outsourcing for the IT hardware repair/ service supply chain. PC Parts offers a unique suite of logistical and system integration services coupled with proprietary data informatics that facilitate the strategic inventory planning, distribution, logistics and transportation of critical service parts in the field prior to their consumption. PC Parts utilizes a blend of reverse engineering and remanufacturing techniques to enhance product quality and value.
